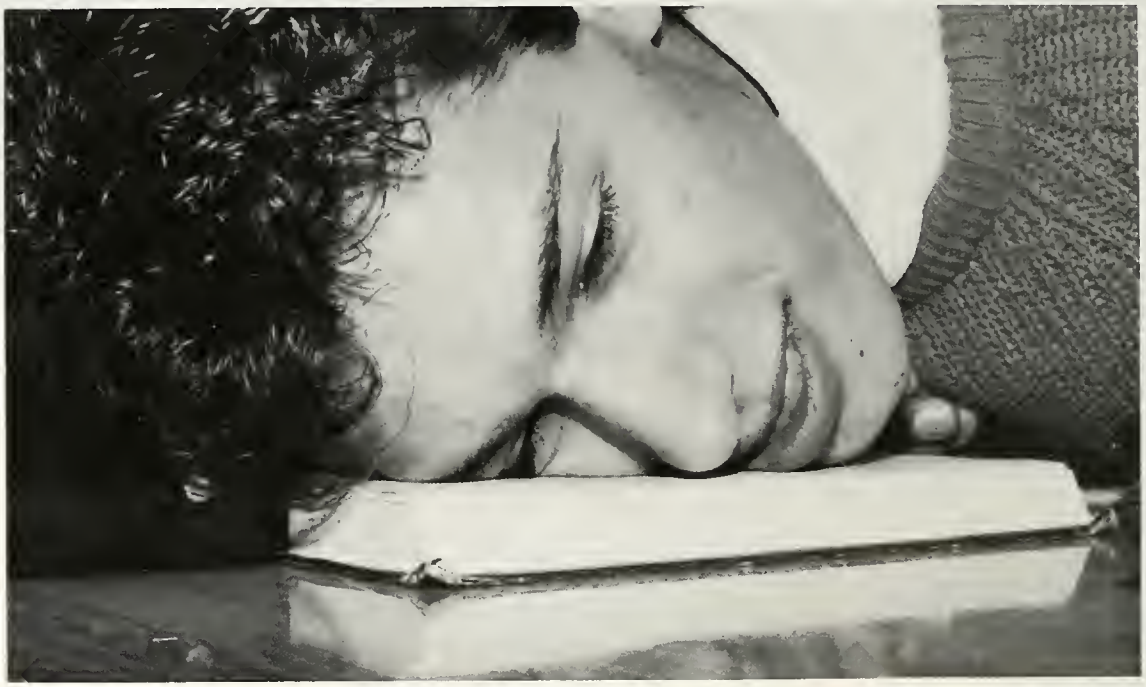
THIS IS THE TIME . . .

This is the time to remember
'Cause it will not last forever.
These are the days to hold onto
But we won't, although
We'll want to.
This is the time
But time is gonna change
You've given me the best of you,
But now I need the rest of you.

Did you know
That before you came into my life
It's some kind of miracle
That I survived.
But now we can both look back
And have to laugh.
We lived through a lifetime
And the aftermath.

This is the time to remember
'Cause it will not last forever
These are the days to hold on to
But we won't,
Although we'll want to.



Lynn
Do you realize there
are only 6 more months
till Christmas?

STUDENTS' COUNCIL

First Row: Kim MacKay, Clerk of the House, Ian Joiner, Minister of Assemblies, Brad Hammond, Prime Minister, Cheryl Wilson, Minister of Blue and White, Steve Murphy, Deputy-Minister of Finance, Mhairi Kersel, Minister of Social Activities Back Row: Paul Benedict, Minister of Finance, Mr. Jolink, Staff Advisor Absent: Bryan Hopson, Deputy Prime Minister

As the 1987-88 school year draws to a close we can look back on it and begin to realize how important school is to our lives. IDCI is not a building. IDCI is the people, the people in our lives that give those four initials meaning and give us so many happy memories. These happy memories are commonly called the "Oh ya's." It is the people who are the most involved in IDCI who have the best "Oh ya's", whether this involvement be in sports, fundraising, UN club, prefects or any of the other extra curricular activities that take place around the hallowed halls of IDCI. These are the individuals that exemplify the Blue Bomber spirit.

In closing, I would like to thank you for a truly memorable year.

Good Luck in the future!

Brad Hammond
Prime Minister 1987-88

As another year draws to a close, we pause to remember. We remember those things that made our year great, the wins, the losses, the trips, the assemblies, the people. Above all, we remember the people who worked with us and for us. So it is appropriate to say thanks, thanks to your teachers, friends, teammates and Student's Council. They have all worked hard to achieve what you have experienced as another great year. Look through these pages with pride, you have earned it!

Sincerely,
Mr. J.

VOLT STAFF

Editors Robin Weir and Sandy Lamers

As always editing the VOLT was a huge job heightened by our inexperience. We learned quickly however and soon we were experts at typing copy, cropping pictures and packing in deadlines down here. Through all this we learned a lot about ourselves, about hard work and about our peers. We also have a lot of the hard work that goes on behind the scenes at IDCI, and this year our job that much easier.

Many thanks must go to our staff for their enthusiasm and hard work. Mr. Pollock, Mr. C. Martin, Mrs. Bedford and especially Mr. Neville deserve credit for their dedication and ever present humour. Your honesty was refreshing and your encouragement sometimes the only thing keeping us going. Thank you.

To the students and staff of IDCI, we hope we have portrayed your memories as accurately as possible. Enjoy.

HOUSE SYSTEM

The House System continues to play an important part in the co-curricular activities at IDCI. Coins for Cancer and the Great Pumpkin Cut for UNICEF raise money for worthy causes. Orientation Week, House Days and Activity Day provide a variety of ways in which students and teachers may become involved. Participation on House Executives provides an opportunity for developing leadership and organizational skills.

During my years as House System Co-ordinator, I have been encouraged by the continued involvement of so many staff and students who willingly give of their time with enthusiasm and cheerfulness. A sincere thanks to Staff Advisors, Co-captains and House Executive Members. May Bole, Briden, Herbert and Wilson continue to be a memorable school experience for all IDCI students.

Prefects

Contrary to popular belief, there are actually 40 blue sweater-clad Prefects roaming the corridors of this fine institution. Often a fairly unassuming bunch, they can be found in several different places:

a) in the cafeteria during feeding time (or can they?!?)

or b) in the gymnasium ushering during assemblies, ensuring that the privileged few receive those front row seats which are so highly in demand!

The Prefects are also people of the evening, co-sponsoring the Hallowe'en Dance with the UN Club.

I'd like to thank Mr. Maddeford and the executive — Scott Stewart, Ann Marie Hill, and Leanne Way — for their assistance and lastly the fine group of men and women who wore their sweaters so well. Good job!

EXCHANGE STUDENTS

Being on an exchange was the first exciting adventure I have experienced in my life. Canada World Youth is a non-profit organization which allows groups of young Canadians to experience national and international development.

I learned about diverse lifestyles within Canada while meeting participants from other provinces. Working as a volunteer in a British Columbia school gave me practical experience for a future career.

In Indonesia, by assisting in road maintenance, garbage control and daily village life, my eyes were opened to the realities of third world development.

Above all, meeting unique people helped me to learn about myself.

Lianne Joiner

Melissa Shields, home from France.

Jason Rea, going abroad.

Becky Jones, home from Quebec.

Thank-you, IDCI and everyone at IDCI, for making my year in Canada such a great experience! This year has totally changed my life and I am so glad I had the opportunity to live in Ingersoll during my exchange year. All of you have been so nice and friendly to me and I have really enjoyed attending this fantastic school. All of you have made Ingersoll my second home. I have had a lot of fun here and will miss all of you next year. I'd like to give a special thanks to my four excellent host families, all my wonderful sisters and brothers and to my great counsellor, Mr. Hillis.

Tack sa mycket for allt!

Lots of hugs to all of you!

This is the time
But time is gonna change
I know we've gotta move somehow.
But I don't want to lose you now.

Sometimes it's so easy
To let a day slip only
Without even seeing
Each other at all.

But this is the time we'll
Turn back to and so we lie
And those will be days
You can never recall.

This is the time to remember
'Cause it will not last forever.
These are the days to hold onto
But we won't
Although we'll want to.
This is the time,

GRADUATES

13A

DAVE ANNEN: "Doctor D" (aka Ferris Bueller) will be remembered for Tongue-a-mania! When not saying "Let's go for a quick six" he can be found with his fiancee(?), J.B., P.C., S.S., M.M., and N.W. Ejection from track and school was memorable, along with Embro, B.J. and Bud's, the Walter Ostanack world tour, and summer with the boys. Who is your pet peeve Dave? "Administration!" Good Luck.

JEFF BILYEA: "Beef" loved B.J. and Bud's Birthday Bash, Embro, and the Bowling Field Trips(?) but calculush with Walt was not a high point. ("I do not have an obsession with gr. 9's"). Katie, P.C., Big D, and Mur are Jeff's good friends and school involvements include track and the 'Jim Morrison Lives' Fan Club. Special thanks to L.Z. and A.G. — the Smurf-a-ghetti was awesome! Someday Jeff will be seen touring with the Stones. (yeah!) Best of Luck, Jeff!

PETE CORNISH: Pete's special people include Mur, Big D, and J.B. Bowling Field Trips, the Embro Conservation Area, and Mur's "end of gr. 12" party are memorable events, but calculush was a real drag! The near future involves university and then hopefully law school. All the best, Pete!

LINDA COWELL: When not involved in intramurals with "The Dooders", the volleyball team or spare jamin', "Linny" can be found saying "nice face on ya!" or "chill out". Her pet peeves include small diamonds and people who put down dairy farmers (right Leanne?). 1987 was a good year for "Butch II" with Collingwood, Kentucky, OFSAA with D.G and E.S., and Turkey Point (right R.F.?). Linda's favourite people include S.K., D.W., D.G., N.G., S.P., and L.W. Next year Linda is off to Fanshawe to find out exactly what "that sort of thing" is. . . "Anyone, anyone?" Good Luck, Linda!

RHONDA FRIZELLE: Prefecting, Prom Committee, U.N., and Volunteens have kept "Ron" busy. She enjoys being with L.W., T.R., S.P., P.K., A.H., M.C., M.W., and D.R. She will never forget Prom '87, the Blue Jays game and missing out at Turkey Point (?!). "Fritz" can often be heard saying "Want a Bud" and hates people who mess up her hair. In the future she plans to pursue a career in the medical field after mastering Mr. Scott's math class. Good Luck Rhonda!

NICKI GRANT: December 1983 was memorable for "Nickums" (because that's when she met Keith!). Ever since then we constantly heard, "You're just jealous of me aren't you?" Other special people include D.G., N.V., P.M., S.M., and L.C. Leaning buses (eh Nancy!) are to be forgotten but the Walter Ostanack Tour was Fantastic! After studying to become a dental assistant at college, Nicki will join the quest to discover with N.V. what "that sort of thing" is. "I am a woman. . . I have a Mastercard!"

JULIE GROVES: "Jules" is involved on orchestra, Blue & White, and this year is Teen Co-ordinator of Volunteens. Fond memories include gr. 12 math, magis rehearsals with J.M., computer science with Mrs. O, Washington, and weekends in Richmond Hill. B.M., L.J., M.N., and Tom are all good friends and next year, this "Dumb Blonde" intends to attend Waterloo majoring in math. Best of Luck Julie!

ANN MARIE HILL: Quebec ski trip, Kentucky '85, Australia, Ottawa '86, and May 19 1986 were all memorable times for Annie-boo Bannie. If not asking "Has anyone seen Scott?" Ammer can be found prefecting or playing intramurals. She is really annoyed when certain people call her anorexic ie P.M. After IDC! Ann plans on becoming a nurse. All the best Ann!

IAN HOFER:: "Holf" is an avid member of both the tennis and badminton teams and lest we forget Spew and the Upchucks! Gr. 9's and tests are annoying but of course Bet N along with D.S., R.B., J.E., and M.P. have been good friends through the years. Christmas '86, geography field trip '85, and of course calculus with Walt were memorable. Next year? University somewhere. Good Luck Ian!

CARLA HUPMAN:: "Car" (aka Louey or Lloyd) just getting to school was a challenge. The Wild n Crazy summers with S.P. and C.R. (and other unmentionables) were great but working after school was a real drag. Special people include Sue, Teresa, Buba, Terry, and most importantly Colin. Words to live by: "Let's Party!". Best of Luck Carla!

MARINA IRWIN:: Aka as "Tina Marina Turner", this bushpig enjoys her summers up north, canoe trips, science labs, and playing Miami Mice in the halls. Marina detests math, due dates, and dead frogs, but UN, Outer's Club, VOLT, field hockey, curling, track and field, and times with A.P., K.R., K.R., and V.B. were "special". When not raising 12 kids in a log cabin, Tina plans to help A.P. organize a Woodstock reunion. "Blow in my ear and I'll follow you anywhere!". All the best Marina!

LISA JANSSEN:: When one hears "Oh yeah" in all liklihood, LJ is around. U.N., basketball, volleyball, tennis and soccer kept "Red" busy and "Swedish Shortcuts" with M.N., Walt's math class, and Mr. R's English class were memorable events. (For some reason though, this star athlete has a problem spilling liquid mothballs). M.N., B.M., J.G., K.H., and A.P. were special people and Lisa will be found at college somewhere next year. Good Luck Lisa!

SCOTT KORDYBAN:: "Kordy" loves volleyball, spare jammin' with L.C., J.W., J.H., N.V.A., and S.M., and intramurals with "The Dooders". His favourite people are L.C., and O.V., and his pet peeves are all blondes (L.C., D.G., R.F.; N.G.). Memorable events for Scott include Colling '87, Ottawa '86, Turkey Point '87, and OFFSA '86. His plans for the future include going to university to make lots of money and finally marrying some gorgeous woman (but not a blonde). All the best to you Scott!

PAUL MAIER:. "L-Key's" favourite saying is "Wanna skip Rut?". Rounds '85, Sue's bush bash, and any Thurs., Fri, or Sat. night is memorable for Paul but school and wearing socks are pet peeves. Favourite people include Rut, Stem, Bobb, Walt, S.P., N.G., and B.H. Future plans? "I'll give it some thought and get back to you". Best of Luck Paul!

BRENDA MASSON:. Washington, gr. 10 biology, Latin class, and "Swedish Shortcuts" are fond memories but gr. 9's, the bus, and people who think they own the hall are really annoying. This quiet person kept busy in concert band, Blue & White, volunteens, and revelling with J.G., P.P., L.J., and M.N. Best of Luck Brenda!

TERRY LYN McKELLAR:: "Tear Bear" lives by the words "Let's Party" and like Carla, finds just getting to school a challenge. A certain trip to a Blue Jays game and summer '87 (which both started and ended with a bang) were memorable along with time spent with Heather, Robin, Carla, Sue, Brent, and Christie-Lee. Ter plans to study architectural drafting and then proceed from there. All the best Terry!

MARY NANCEKIVELL: This quiet person is annoyed by those tall 'people' who find pleausre in knocking over small gr. 13's. "Poppins" fondly remembers "Swedish Shortcuts", Mr. R's English class, Vancouver, and gr. 9 physics. U.N. and the newspaper kept Mary busy along with L.J., B.M., J.G., P.C., L.H., and G.B. Future plans include university, marriage, and a teaching career (but not necessarily in that order). Good Luck Mary!

POLLY PAVEY: As IDCI's world traveller (Killington '85, Kentucky, Ottawa N.Y. City, Paris, and Greece!) It is no surprise that "Pol" intends to study geography and perhaps Travel and Tourism at University. B.M., L.W., T.F., T.P., A.P., J.E., M.B.C., P.N., S.M., and C.H. are all special people to Polly but substitute teachers are a real pain — "What do you mean that assignment is due today?". Besides orchestra and cards on spare, school and IGA are enough to keep her busy. All the best Polly!

STEVEN UCHACZ: Steve, who has been called most everything and anything, is really bothered by those inconsiderate students, but mostly by the Yankees. Co-op, VOLT, the newspaper, Prom Committee, and badminton keep him busy along with M.T. and his B.K. Buddies. A certain trip to McMaster, Friday mornings, and the Key West were fond memories but above all, remember "Punks are not dead!". Best of Luck Steven!

NANCY VAN ASSELDONK: Nance-a-rama's special people include S.M., C.P., M.K., N.G., and D.G. When not prefecting or attending Mr. Smith's attendance club, 'Dingledonk" can be found at the Big V. Fond memories include Ireland, the Walter Ostanack World Tour, and a certain Lizard's dance. After studying Criminal Rehabilitation Counselling at College, Nance plans to discover what "that sort of thing" really is. Remember those leaning buses Nicki? Good Luck Nancy!

LEANNE WAY: "Lanny" has many fond memories such as Ottawa '86, Florida '87, Kentucky '87, Turkey Point, and her reign as O.C. Dairy Princess. Running the pool with a certain redhead was also fun. "Way-child" was involved in prefects, volunteens, orchestra, Prom Committee, Herbert Exec., and intramurals, and hung around L.C., M.C., A.H., R.F., and S.P. Next year "Cow Queen" heads to Waterloo to study geography and environmental science to eventually become an environmental lawyer. All the best Leanne!

GOLIN WIKSTRAND: "Goulash" — our Swedish exchange student — has many special people that it's impossible to mention them all! Understanding parallelism, UN, Blue & White, soccer, and dating Uncle Rog were fun but ladies who continually asked, "Is your husband in Kiwanis?" were annoying. After leaving IDCI, Golin faces another year of high school in Sweden but "I am sure I will return to Canada!". All the best to you Golin! We will miss you!

JENNIFER WILLIAMS: Cafeteria spare, jammin' to the Benny Hill song were memorable to "Jen Ben" and she can always be found at any social event. In particular, Jen remembers camping May 24 '87, Blue Grass in Woodstock, Boo's party ("It wasn't my fault the car got stuck!"), and J.H., D.B.'s "rez", T.S.'s M.C., Tag-a-long, and the Woodstock crowd. Walt's quizshes were annoying but next year Jen will pursue better things at Fanshawe in E.C.E. "Rock On!". Good Luck Jennifer!

NORM WILLIAMS: "Storman" has a strange tendancy of getting stranded and then falling asleep in front of variety stores. Nam was involved in basketball, golf, volleyball, captain of the school Safety Team, and being bad with S.S., M.M., D.A., P.M., L.C., D.G., and N.G. (Anyone who has had the urge to be cool is a favourite of Norm's) Embro, summer '86, Blue Jays, and surviving Mike Cannevil's wild 360's were highpoints but his one ambition is to be Annen's manager and see him to the WWF. Good Luck Norm!

ALAN WU: Homework on the first day of school? Puh. .lease. . . Other than that "Alvin" is an easy-going guy but just don't call him Al — "My name is A-L-A-N". S.U., D.M., C.H., M.B., T.P., and A.W. occupy "Stupid's" time as does tennis and badminton. On one hand he would like to forget Mrs. O's driving to McMaster but deer hunting was fun. "No Problem!". Best of Luck Alan!

SUSAN WU: Having to read during USSR (and not being allowed to do homework) was understandably "Shusi's" pet peeves. Concert Band, Blue & White, and orchestra kept Su busy as did working at the G & C Club. Escapades with S.J. and B.K. are memorable along with times spent with L.M., B.M., and T.B. The near future involves studying business then marrying some rich and handsome man. Good Luck Susan!

CHRIS BERGHUIS: Chris' main school involvement is attending school from Mon-Fri except for period 1 on day 3. He is annoyed by people who can open their lockers faster than he can and being called "Mr. Berghuis' son". Chris can be heard saying "How 'bout them Jays?". His favourite people are JCVD and Floyd and he will never forget chemistry class. In the future, Chris plans to go to a Blue Jays World Series game. "The past five years seemed like one". Good Luck Chris!

ROB BLANCHETTE: When not involved in UN, concert band, basketball, badminton, or tennis, "Lanker" is a proud member of "Spew and the Upchucks". His pet peeves include calculus and people that speak franglais. "Bob's" memorable events are the last 19 years and in the future he plans to bribe his way into Wilfred Laurier's Co-op program or live a lazy and luxurious life. All the best Rob!

RANDY DONOVAN: Part II: "Skip" enjoys curling, badminton, UN, and the Outer's club. His words of wisdom are "If you don't succeed, try, try again. . . It's easier the second time". "Randalah's" favourite people are new friends. One thing he'll never forget is opening the emergency window on the bus to his sociology trip. "Thanks IDCI for the memories of gr. 13 . . . again! Best of Luck Randy!

JON EMPRINGHAM: Jon's favourite people include S.H., M.B., S.S., A.H., I.H., S.A., B.G., J.M., and sis. He is annoyed by loud Stratford Central coaches and people who stop in the middle of the hall to talk. When not involved in volleyball, basketball, tennis, soccer, athletic council, or orchstra, Jon can be heard saying "Come on!". He remembers WOSSA volleyball '86 and the 13 hour van ride to get there and cards on spare with I.H., S.L., and G.G. (COOKIES!!!) and coaching the gr. 8 basketball team at VMS. Jon plans to pursue a career in human kinetics. All the best Jon!

SUSAN HAINES: "Suzie Woozie" remembers Kentucky '87, and Mr. Pollock's homeform. She can be heard saying "You would look better if. . .!". Sue has been involved in prefects, badminton, UN, and Blue & White, and is annoyed by niners and people who stop in the middle of the hall. Her favourite people are Papa Dean, A.M., T.F., C.H., and guys and of course Michelle! Sue plans to take Travel and Tourism somewhere and make the best out of life. Best of Luck Sue!

CARRIE HAMMOND: People who stop in the middle of the hall to talk and Mr. Scott's math class are a couple of the things that annoy "Carebear". Some of her special people are T.F., S.H., B.J., T.P., P.P., and her puppy. "Carrie Wary" has been involved in Wilson House and she fondly remembers December 17 '85, France '87 and Mr. Pollock's homeform. Carrie plans to spend more time with B.D. and study business administration somewhere. Good Luck Carrie!

CHUCK HOLLIS: "Chuckster's" special people are D.M., M.B., J.E., A.W., A.W., G.L., and T.P., but his pet peeves are J.V., M.A., T.T., D.R., homework and calculus. "Captain Karate" has kept busy on the tennis team, badminton team, curling team, accounting club, SAMOD (students against Mrs. O's driving), W.S. fan club and chess but will never forget university night, McMaster, Western Fair with S.H., S.W., and C.H., and the movies with the Ralph brothers. "Puck" plans to attend the university of Windsor to be a chartered accountant. Good Luck "J.C."

LIANNE JOINER: "I am a part of all whom I have met." "L.J." has kept busy with C.W.Y., Woodeden (right Tammy), functions pep talks, milk chug-a-lug, Herbert espionnage, running in the rain, volunteers, UN club, 140 Ann St., and the grad class of '86. Temporarily curbing her nomadic tendencies really bothers Lianne. She can often be heard asking "What is parallelism Golin?". Her philosophy is Cat Stevens' "Wild World" and "Smile". Lianne eventually plans to teach someone who will believe her theories! All the best Lianne!

MIKE MALONEY: The only thing "Little Boy" regrets is not being able to park his van on school property. "Mr. Mick" can often be heard saying "burr" or "bonus" and will never forget parking at Mom's Donuts, sitting in the weight room, the Ottawa field trip, Maloney's pit parties, and the Turkey Point Party. "Fernandoes" favourite people are Butch, Crash, Burnt, and Clit. Future plans are to attend Fanshawe. Good Luck Mike!

SHANNON MALONEY: "Casper's" favourite people are N.V.A., C.P., M.K., D.G., N.D., J.K., P.K., T.R., and L.H. Two of her most famous sayings are "Mhairi! How did we get ourselves into this one?" and "No, the car is this way Nancy!!". She has been an avid member of the Mr. Smith's Attendance club and S.I.N.E.P. "Heifer" fondly remembers the Walter Ostenak World Tour '87 and her trips to Ireland '87 and France '87. "Schmoo" plans to take a year off to travel to Europe where she will meet Prince Albert of Monacco, settle down in the Royal Palace and live happily ever after! "It's too bad it had to end. Thanks for the memories!"

CLAUDETTE PENNESI: Next to Calvin and Hobbes, N.V.A., M.K., and S.M. are "Chloe's" favourite people. Her pet peeves include two certain people in French class (you know who you are) and knee smashes. "Claude" has been head prefect and the founder and president of the Pond Scum's Exterminators Inc. When not doing the weekend update with Dennis Miller or visiting the hole along the lake, you can hear Claudette saying "I'm with child. . . will you marry me?" Or "We'd by happy too!". Claudette plans to go to university somewhere on earth and go on a "fabulous trip to Ja-MAI-ca" with Shadoe Stevens. Good Luck Claudette!

APRIL PERRON: Amongst "Mick's" favourite people are mom and dad, Tina, Marina, Kathleen (deceased), Kelli and Vicki. She has no pet peeves and can be heard saying "free love" and "smile" or "rise, go forth and conquer". "Grape Ape" has been involved in curling, badminton, field hockey, UN club, Wilson House, Outer's club, VOLT staff, prefects, and a member of the infamous Rambettes. Her memorable events include OFSAA curling, the Grateful Dead concert and Parks Dept. '87. April plans to snowshoe the Sahara with Oscar the Grouch and Kelli and overthrow Khadafy and live happily ever after in Libya. All the best April!

DEREK SCHAT: "Turtle's" favourite people include Spew and the Upchuck's and L.S. but he is annoyed by lippy niners, reading period, calculus teachers and final library notices. He has been involved in prefects and UN as well as Kentucky '87, Pook's party, Hof's crash and New Year's Eve at Pook's. "Turt" can often be heard saying "No doubt" or "I'm kidding". He plans to attend university to get degrees in business administration and math and then return to IDCI to be Mr. Scott's boss! He also wishes to become a terrorist to kill everyone that makes fun of his car. Good Luck Derek!

SCOTT STEWART: "Stew's" favourite people are AnnMarie, Dave, Norm, and Mike and Gord. His pet peeves include Tim Boll, Stratford coaches and Walt's calculus class. When not involved in volleyball, basketball, soccer, badminton, prefecting, athletic council, or the Walter Ostenak fan club, Scott can be heard saying "yaa right!" or "Chill out". A TOAST

May all your dreams become reality
May your reality be as fulfilling as your dreams.
During all your travels, may you never
be farther from me than a smile.
May all your work be as fun as your play,
and your play be as hard as your work.
May you remember good times, and smile
when you think of me.
May you always be as happy as I am right now.
Remember me as your friend,
and if perchance we never meet again.
Remember that I love you,
and you will always be my friend.

FROM HEART TO HEART

Our friendship's like a lovely bridge
Between your heart and mine
A bridge we've built down thru the years
Just to our own design. . .

It's based on happy happy memories
Of the good times that we've known
The hope and dreams we have shared
The thoughtfulness you've shown

It's stronger than ever now
For it's grown with every smile
And every act of kindness
That makes life seem more worthwhile

And know I know that, if you're near
Or if we're miles apart
Our friendship still unites us
With a bridge from heart to heart.

COMMENCEMENT '87

Mr. Ward, honoured guests, staff members, fellow graduates, parents and friends.

The time has come to say good-bye although this is a difficult thing to do. When we say goodbye we also begin saying hello's and in this way we are caught between the past and the future. We are standing on the doorstep that we know as the present. Behind the door lies time already gone by and beyond the door lies an endless expanse of future. We, the graduating class are standing on the doorstep as we say good-bye to IDCI.

Let's cast our minds back to the days when we approached the doorstep from a different direction. We were coming in to grade 9. Who would have believed that a sorry-looking bunch like us could have evolved this way? Remember getting lost on the first day and not recognizing any faces in the hallways? Of course, after a while we became accustomed to our new environment and by the next year we noticed how small the new crop of grade 9's were, and how they seemed to get smaller with each passing year. As we think back, more memories come to mind the way snapshots might fall from an old photo album: the assemblies, the school dances, and the aerial photograph. There was the time a certain Prime Minister has his legs shaved for charity. Things like the Gr. 13 Challenge, Blue Jay's Games, Christmas Lit, the annual McDonald's Breakfast Ritual and cookie sales (or lack thereof) do not fade quickly. Most will recall evading the library police or the U.S.-S.R. . .Reading For Pleasure Gestapo at one time or another. There was the inauguration of Mr. Sundercock as our new Vice-Principal and who could forget the awesome Bomber teams; volleyball and basketball being the most conspicuous and along with that, the chipper morning announcing every morning at 8:50. Finally, there was the Prom. Perhaps it was paradise for those people whose fingers did not know kleenex flowers intimately or those people who did not attend the following morning's clean-up festivities.

However, in all seriousness, we should note what makes up the memories we cherish the most. It is not the building itself; it is merely material: chalkboards, desks, bricks, and concrete. It is not this essay or that exam that we remember vividly. It is the people: the friendships, the co-operation, the heart-to-heart talks on spares or lunch, the sharing, the togetherness. . . the human relationships. Without special friends old and new, without teachers who were willing to give more than the expected minimum, without the care and effort of administrators, without the participation of the community, IDCI as we know it could never exist. It is people working together that makes IDCI such a vital place.

So here we are, waiting on the doorstep, slowly turning from the past to face the future. It's time to say goodbye and start with opening the door to the future. At this time, I would like to share with you a poem by Adrienne Rich that I feel is very appropriate. It is entitled, "Prospective Immigrants Please Note".

Either you will
go through this door
or you will not go through.

If you go through
there is always the risk
of remembering your name.

Things look at you doubly
and you must look back
and let them happen

If you do not go through
It is possible
to live worthily
to maintain your attitudes
to hold your position
to die bravely

but much will blind you
much will evade you.
at what cost who knows?

The door itself
makes no promises
It is only a door

Ingersoll and IDCI have been very good to us and have given us much experience and many opportunities; that is, many doors. However each one of us must decide whether to go through these doors or not and consequently each of us must take responsibility for these decisions. We should take advantage of the benefits we have received and strive to reach our potential. These benefits were offered, but our achievements in life do not depend on themselves put forth, after all, no promises were made.

Our experiences at IDCI is now a part of the unchangeable past. We must keep in mind that the future is still to come and it is towards the future that we must direct our energies. Enjoy the present, but remember that the future can be molded and shaped to suit our dreams and our ambitions, to make the present more to our liking. We do control our destinies and we can make our lives what we want them to be, but only if we make the effort and meet the challenge, only if we take the risk and go through the door.

Dragons of the Mind

So, I see that you've decided to try the rich man's trend.
And although you may deny it, it's in your eyes my friend.
I sense your dreams are dying and the fairies have all flown.
You say fantasies are childish. You claim you've simply grown.
But suddenly you're paranoid when you used to be so kind.
And you're yearning for the devil's snow
While killing friendly dragons of the mind.

Your energetic fires have burned to frightful depths
And the guitar of your livelihood is running out of frets.
You've cast aside your innocence and you still don't understand
That everyone must be a child before he be a man.
You think that you'll just step ahead and leave your friends behind.
But you're hurting all the ones you love
While killing friendly dragons of the mind.

I see realms of helpless leprechauns die 'neath decaying leaves.
And clouds upon which crying angels suffer in lost beliefs.
A majestic, golden unicorn lays down it's weary head.
And the playful elves of yesterday stand stand silent now with hearts of lead.
And as you lay the lines upon the mirror one more time
I pray that you will realize. . .
You're killing friendly dragons of the mind.

JUST FOR YOU

Just for today,
I want us to be friends,
I want to laugh with you,
cry with you,
talk with you,
I just want to be with you.

Just for today,
I want us to know each other.
I want to listen to you,
I want to share with you
Something called trust
Can we trust one another?

Just for today,
I want us to be the best friends,
Friends who love each other.
And care and feel for one another.

Just for today,
I want us to realize
That the special bond we share
Will last through the rest of today,
And perhaps through each tomorrow.

Searching for Truth

"The eyes, the eyes," the madman said
And then he turned and walked away.
Is he really mad at all?
He knows the truth the eyes display.

I wonder at reality.
Are we really here at all?
I wonder at philosophy.
Does destiny guide us all?

"The eyes, the eyes," the prophet said.
"They are the tools of my trade."
"They speak of secrets of the soul,
Whispers of another day."

Maybe we're actors in a dream of life.
Maybe we're actors in an endless fight.
Maybe we're watching Plato's shadows
with reality beyond our sight.

But, "The eyes, the eyes," the poet said
"Are proof that we are really here.
The eyes, they seek to find the truth
that tongues may lie and hearts may fear."

I'm searching for some honesty
in a world of blind deceit.
I'm trying to gain victory
in a game of grave defeat.

"The eyes, the eyes," the dreamer said.
"They hold the life of every man."
and as I watched he died for peace.
Dreamer, now I understand.

Friendship Road

Friendship Road is the place to be,
Family and friends are very lovingly.
As we are looking in the sky,
Flying deeper, higher than high.
People are different big and small,
That's why we have to love them all.
The road is forever long and wide,
Getting closer with every little stride,
Friendship is a chain of gold,
Shaped in God's all-perfect mold.
Each link, a smile, a laugh, a tear,
A grip of the hand, a word of cheer.
As steadfast as the ages roll,
Binding closer soul to soul.
No matter how far or heavy the load,
Sweet is the journey of Friendship Road.

TEN

everything should be in increments of ten
like the delicious digits twisting this lock
folding around the steel
lacing about the steel
lacing about the dial
manipulating in marvellous circles
rid my eyes of chaos.
fill my senses with neat precision
rows, piles, stacks, files
comb the sight, set it right
like pragmatic blocks of concrete pillars
awake until my space in conect
lest I dream of wrinkles
creeping, twisting, oozing through untidy darkness
snatching my world and setting it askew
strangling order, infecting my filing cabinet
a demon of disease
sterilize
banish from being all imperfection
multiply by ten
then rest assured all is right.

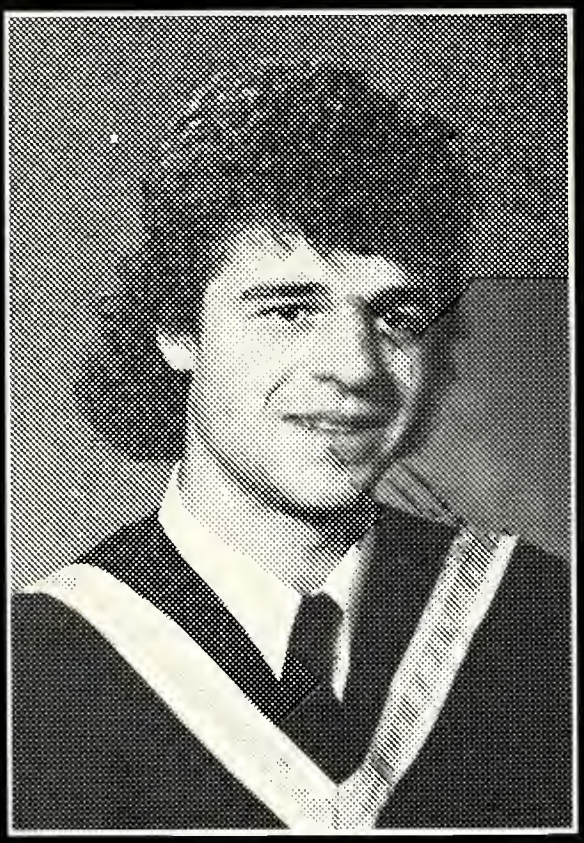
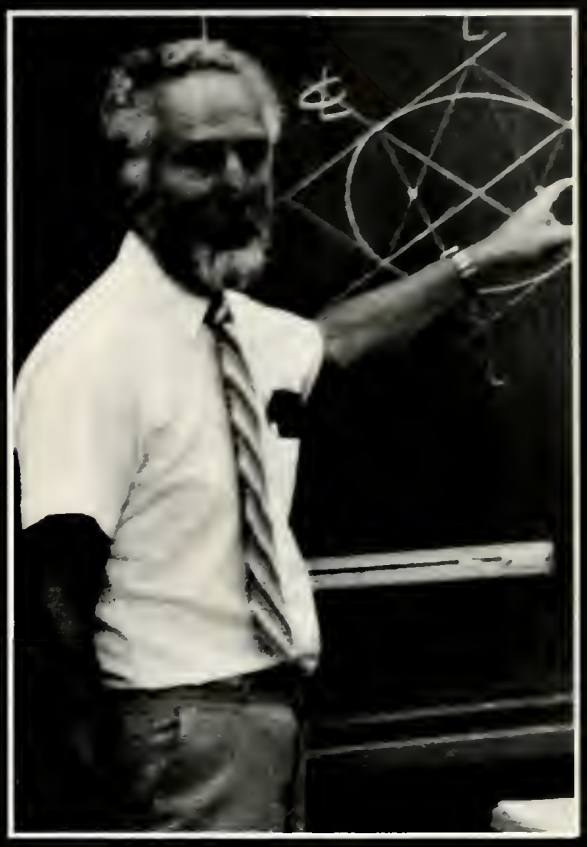
In Memory Of
SHANE FINCH

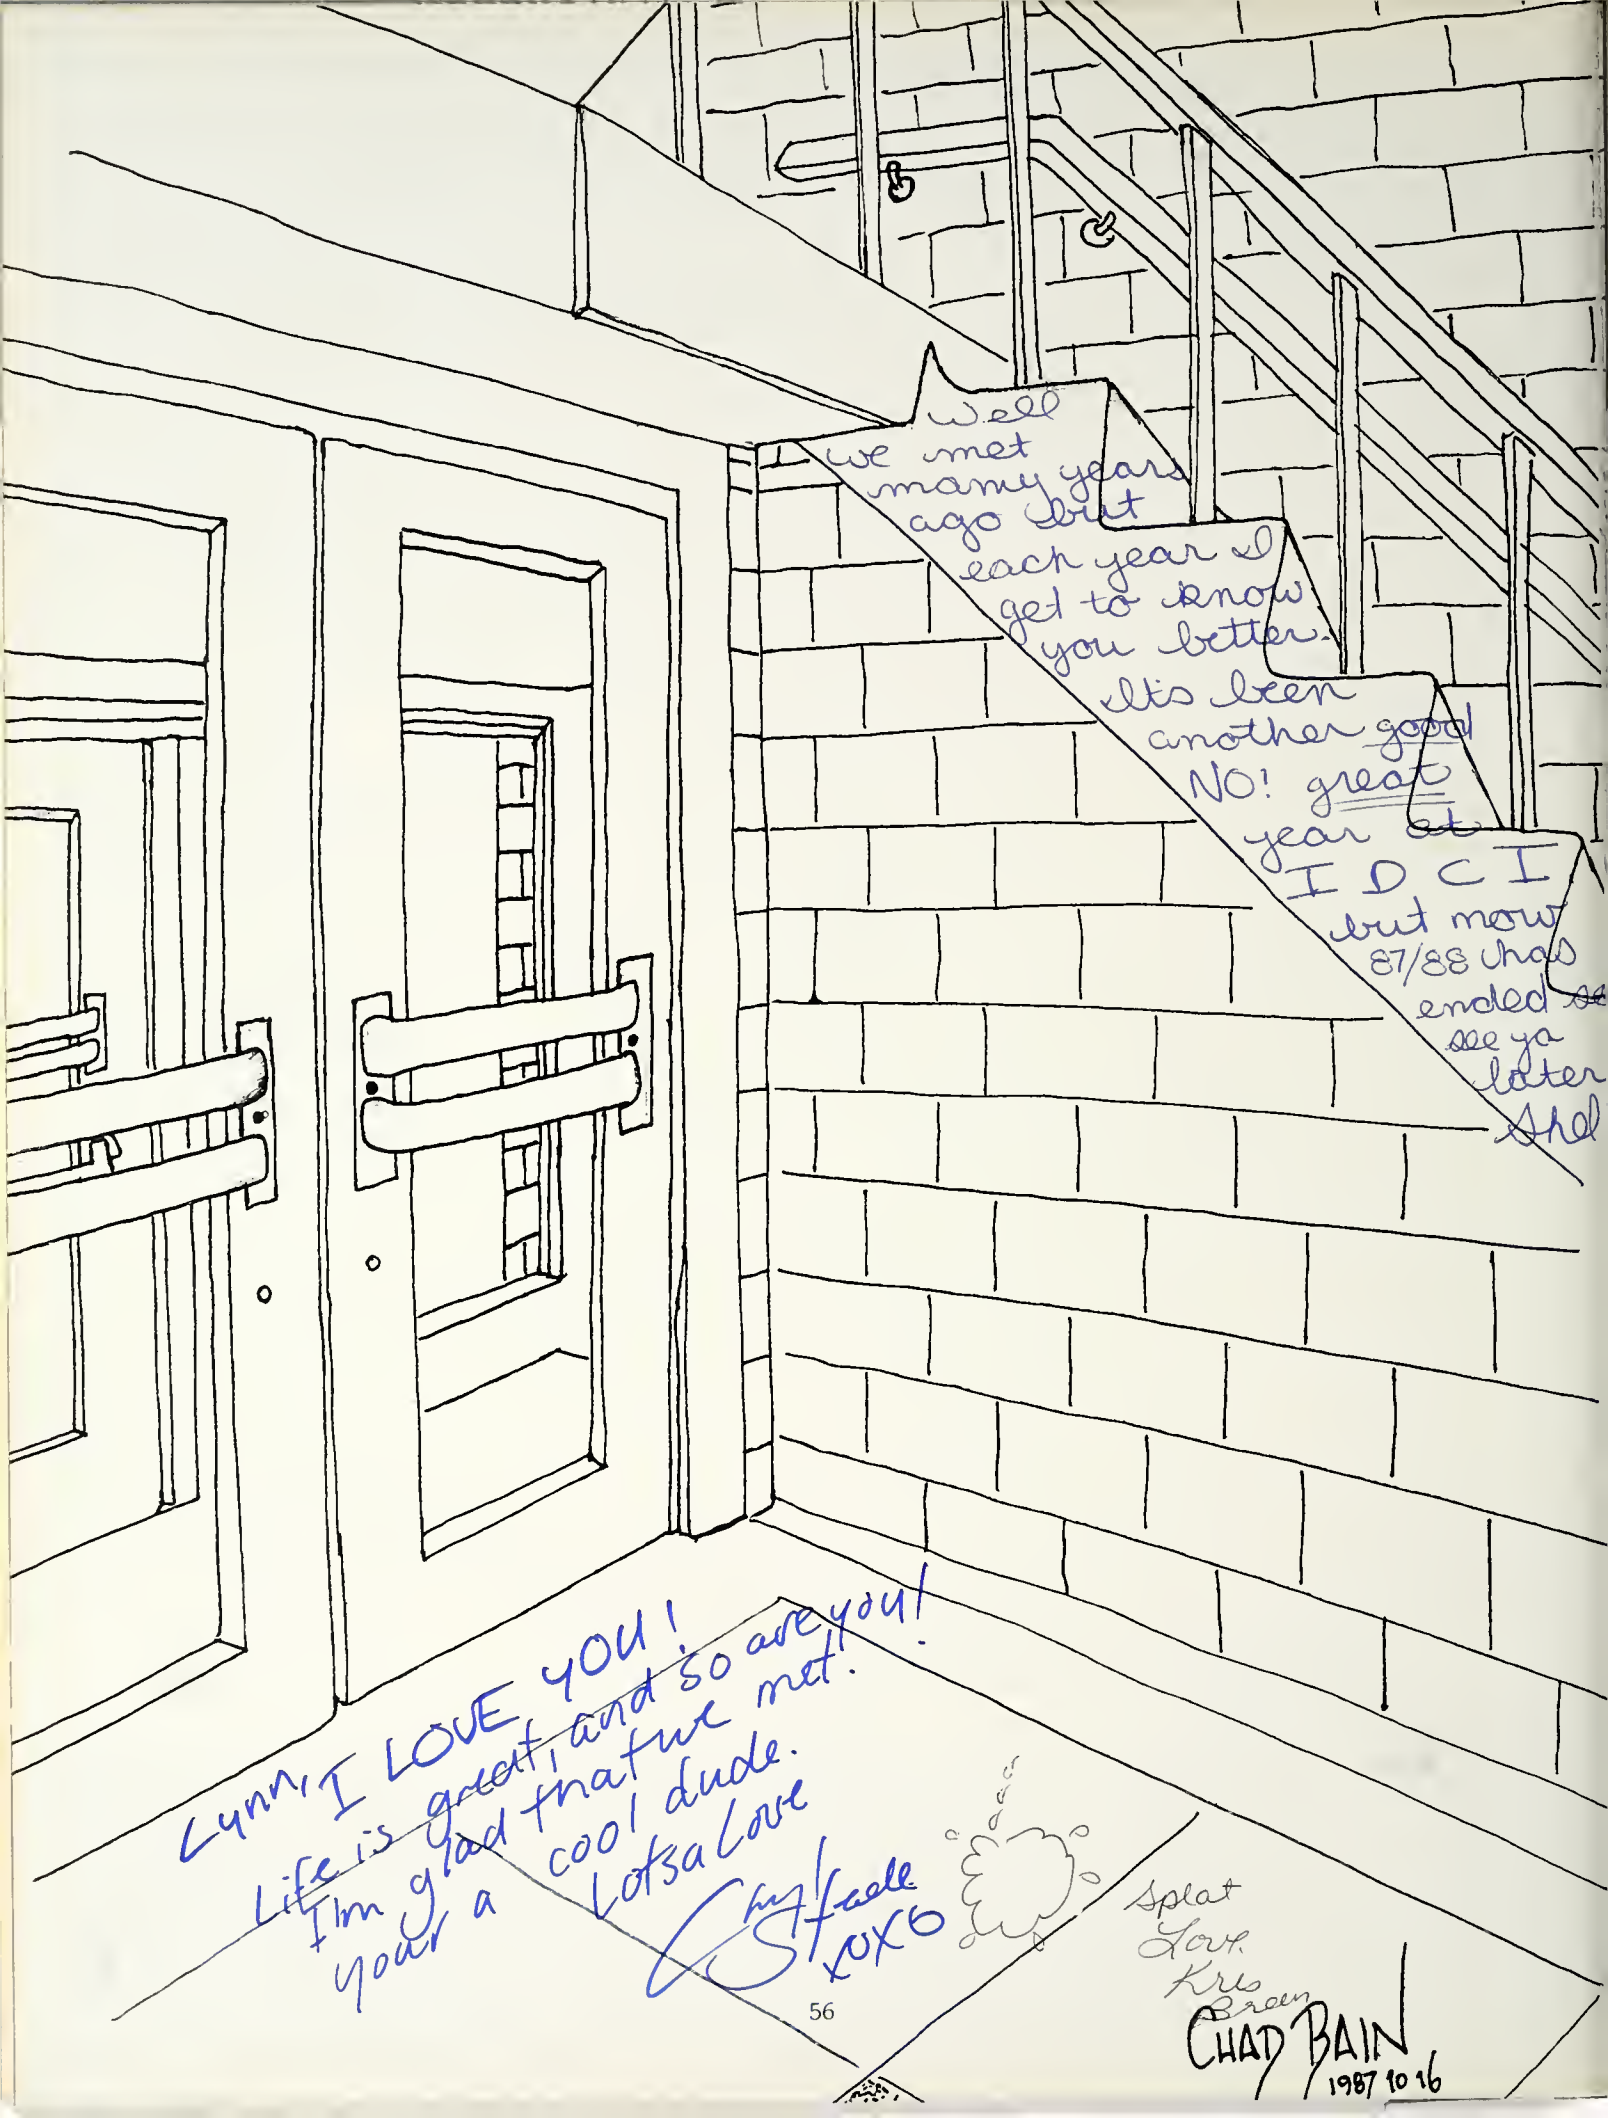


It's hard to go on living these days
When someone you love is gone.
And though they can't be by our sides,
Their memory lingers on.
It takes courage to face the fact
That they've really gone away.
But all you can do is live your life
And take it day by day.
I know you'll never forget the pain,
The pain that's in your heart.
But you'll always remember the good times you've shared,
Even though you're far apart.

In Memory Of
JACOB ABRAHAMSE



The life that I have
Is all that I have,
And the life that I have is yours.
The love that I share
Is all that I have,
And is yours and yours and yours.
The sleep I shall have
And the rest I shall have
And death will be but a pause.
For the peace of my years
And the long green grass,
Will be yours and yours and yours.



Well we met many years ago but each year I get to know you better. It's been another good NO! great year at I D C I but now 87/88 has ended see ya later Shel

88 SPORTS 00

Monday January 4th, 1988 was the day that the Olympic torch relay came through the Ingersoll area, and an interesting day for me because I was a torch bearer. The reason why I was selected to be an Olympic torch bearer in the Olympic torch relay was thanks to my sister Amy and the rest of my family last spring. Last year, I spent six months at a boarding school in England and I wasn't here when the relay was first talked about. Nor was I there when the entry forms began to be given out at Petro Canada. Amy spent her days filling out entry form after entry form; my little brother Roland spent his days walking to and from our local Petro Canada in Thamesford putting completed entry forms into the ballot box and returning home with new fresh ones for Amy to fill out, and my mother driving to many different Petro Canada stations to get more new entry forms. In two or three months, my family, had sent away more than 2000 entry forms in my name for the Olympic torch relay.

The Olympic Torch Relay was a very well organized event. Before and after I got home last summer, they sent me information and kept me up-dated about the relay. I had several phone calls from the Torch officials making sure that I knew exactly everything that I needed to know. I also had a few newspaper reporters wanting articles. Since they all seemed to ask if I had started training, I thought I'd better get started. Running 1 km is not too hard but running 1 km with a heavy iron mallot is quite a bit harder. Our mallot weighs between 4-6 pounds and the handle is made from wood. I thought it was a good object to train with. So when Monday January 4th came, I thought I was ready to run but worried that my arms would become very tired.

Monday the 4th was a pretty hectic day. I had to be up early and be at the Lamplighter Inn in South London by 8:45 am. they gave me my uniform and briefed us on exactly what we had to do. There were ten other torch bearers on my group. The people were from all areas of Ontario, including Ottawa and Toronto.

The morning went smoothly. A twelve year old passed the torch and I passed it on to a nine year old boy. I enjoyed the run and I didn't get tired. My arms were tired but I kept going. After our whole group had ran, we were driven back to the Lamplighter Inn. My participation in the Olympic torch relay was almost over. I was asked to speak at different events about my participation.

I hope next time Canada hosts the Olympic Games, Canadians can get involved in a similar way.

Ingersoll was chosen as one of many communities to host ceremonies for the passing of the Olympic Torch as it moved from Newfoundland to Calgary, Alberta.

On January 4, 1988 at 10am, Ingersoll citizens met outside the Ingersoll Arena for the Celebration 88 Award Presentations. These were sponsored by the Federal government to recognize the unselfish contributions of people in the community who demonstrate the Olympic Spirit.

At 10:35 the Petro Canada organizers arrived and Jim Hunter, a Crazy Canuck Skier, became MC until the Olympic Torch arrived at 10:55. The torch arrived at the scheduled time amongst an excited crowd of students and Ingersoll citizens. The Olympic Spirit was passed on to IDCI students on January 4th.

Winners of the Celebration 88 Awards from IDCI:

1. Past student Susan Little was awarded the Medal for Female athlete for her achievements in basketball.
2. Mr. Colin Slimmon was awarded the Medal for Coach to recognize his years of dedication to coaching in various sports.

The following teachers were awarded Certificates for their contributions to the community:

3. Rev. Roger McCombe
4. Mr. Doug Harris
5. Mr. Harvey Fishleigh

Athletic Council

The Athletic Council is a student organization representing the Athletes of our school. We plan and run events throughout the year, which are designed to involve ALL students in athletic activites. Our main goal is to run a successful intramural program which allows students to participate in athletics at a non-competitive level. Besides this, we organize an Athletic Banquet to recognize the contributions made by outstanding athletes in our school. This year's council was a very energetic group with many new and unique ideas. We would also like to thank all council members for your time and effort and we hope that next years council will carry on the successful events which were introduced to the student body this year.

Many thanks are also directed towards our staff advisors: Mr. Quarrie, Mrs. Vardon, and Mr. B. Martin for their contributions and leadership throughout the year.

SUSAN LITTLE

A tall, slender, athlete in grade nine, Susan provided her coaches and teammates with the opportunity to view a constant improvement in sport over her 5 years at IDCI. Her generous smile and laughter always accompanied her to practice, games and tournaments. She is a fine ambassador for sport and for IDCI. After graceful moves to the basket, her energy to attend camps and her dedication and commitment to sport made her a fine role model for many of our players.

Susan's parents always were in attendance at games and supported her through the late dinners, and driving throughout the province.

Susan is to be admired for her success in 1987-88 and congratulated on her never ending dedication to her team, coach and school.

It is with pride that we remember Susan Little's start at IDCI and the chance to know and coach such a fine young lady.

GIRLS' VOLLEYBALL

SENIOR

The 1988 Senior Girls' Volleyball Team has come a long way since first practice when only eight girls showed up to tackle the season. With a final record of 100 wins and 22 losses, the total 122 games gave us opportunities for many great matches and victories.

I'd like to take this opportunity to wish graduating players, Karlene and Linda, the best of luck in their future endeavours. We couldn't have accomplished what we did without our coaches, Mrs. Vardon and Mr. Hui. Thanks for all your time and effort.

This year's Senior Boys' Volleyball team participated in the Oxford, Oxford-Elgin and WOSSA Championships, placing first, second and third, respectively.

Many of Ingersoll's finest volleyball players will gradute to a different world next year: Gord C., Jon E., Lyle H., Scott K., Scott S. and Matt V. We extend our gratitude for the seasons of the past and hopes for your dreams in the future.

A special thanks to the students and parents who scored, lined and supported our efforts this year.

GIRLS' BASKETBALL

SENIOR

This year's edition of the Senior Bombers experienced many high and lows throughout the season. The team finished the year with a record of 23-10.

The season culminated with a berth at WOSSA in Sarnia as the representative of Oxford-Elgin. An opening round loss to Goderich, 61-59, set the stage for a disappointing WOSSA tournament. Congratulations to our only graduating player, Darlene, for a great season and a great basketball career at IDCI. Next year's edition of the senior bombers looks promising with 11 returning players and a talented group of juniors moving up.

C. Slimmon

Front Row: Sandy Lamers, Darlene Geltink, Lisa Greenwood, Janet Andrews, Elaine Stewart, Julie Hopson, Cathy Reeves. Back Row: Mr. Slimmon; coach, Becky Jones, Tracy Jean-Louis, Lisa Wilson, Lene Tonnisen, Aileen McFarlane, Robin Weir; manager.

JUNIOR

Another great year! With a 10-0 record in Oxford, we went on to win Oxford-Elgin by defeating the Gemini. The season concluded with a scond place finish at WOSSA. During the season, we won The Burger King Classic, 2nd at Clarke Road, and 1st at Paris.

The team has been blessed with dedicated, hard-working athletes who will be rememberd for their special antics on and off the court. They also are the future of basketball at IDCI. What a superb contribution for one, two and three years and what a fine future for basketball.

MIDGET

This year the Midget Girls' Basketball team was fortunate to have three coaches; Mrs. Blacklock, Heath Douglas, and Ellen Pelton.

We had no trouble defeating the Woodstock schools, and we were quite evenly matched against Tillsonburg. At the end of the regular season we were second in Oxford County. We headed to Oxford-Elgin quite optimistically but were defeated by East Elgin in the first game, putting us in fourth place.

S. Blacklock

Front Row: Wendi Cowan, Roisin Bane, Lynda Clendinning. Back Row: Kristy VanKosten, Laurie Mutsaers, Tracy MacKay, Angela Poort, Shelley Triemstra, Barb Grundy, Jennifer Wilson, Mrs. Blacklock, coach. Absent: Rose Kelly, Heath Douglas, assistant coach.

BOYS' BASKETBALL

Front Row: Scott Stewart, George Randall, Matt Vegh, Bill Moore, Gord Clifford, Norm Williams. Back Row: Jeff Abrams, Rob Offen, Brian Hoogkamp, Heath Douglas, Paul Wilson, Bryan Hopson, Craig Taylor, Mr. Quarrie.

SENIOR

The Senior Bombers had a season of mixed results as our record of 11 wins and 10 losses would indicate.

Our regular season play in Oxford County featured many close, hard-fought contests, putting us in third place behind Tillsonburg and Huron Park. In the Oxford-Elgin Conference quarter-final playoff game, we dropped a heartbreaker, 73-72, to Huron Park which brought a rapid close to our season.

I would like to thank all the players for their efforts this season, particularly to our graduating students, Gord, Scott, Norm, Bryan, and Matt. I am looking forward to another exciting roundball season next year.

D. Quarrie

Front Row: Mr. Slimmon, Mike Stewart, Pete Paterson, Chris Randall, David Di Ianni, Terry House. Back Row: Dustin Kraft, Chris Betzner, Ian Foss, Sean Kelly, Duwayne Dunlop, Kelly Kobialka, Steve White, Steve Empringham. Absent: Ron Couglin.

JUNIOR

15 Players started the season for the Junior Bombers, full of promise and commitment. League play provided a tough match for this year's edition of the Junior Blue and White. Congratulations is extended to the graduating players Chris Randall, Mike Stewart, DuWayne Dunlop, Steve White, Dave Dilanni, Peter Patterson, Ron Coghlin, Kelly Kobiacka, Terry House, Chris Betzner, and Sean Kelly. Three Juniors return and next season looks promising as some talented Midgets move up.

C. Slimmon

Front Row: Chris Molnar, Jason Storry, Doug Robson, Chris Wilson, Greg Fickling. Back Row: Mr. Slimmon, Mark Glandzmann, Greg Garton, Brian Allcock, Rick Sahota, Rich Stratton, Sean Stoyles.

MIDGET

Only 1 thing can be guaranteed in midget basketball, that is the unexpected. After a very slow start in league play the team put together a strong second half of the season to finish second behind Tillsonburg in league play. A disappointing loss to Tillsonburg in the Oxford County Final completed the senior for the midget Bombers. Congratulations is extended to all team members for a good season.

We had one major competition: the Oxford-Elgin Championships which were held in Tillsonburg. IDCI claimed 2 championships: Brian won the Junior boys' singles title, and Heather and Matt captured the Senior Mixed Doubles titles and qualified for WOSSA. There, they competed well, finally losing to a strong London team in the semi-finals. Julie and Angela won the Oxford-Elgin Senior Girls' consolation title. Rose, Ken and Lisa fought for singles titles, while Alan, Chuck, Sean, and Cory went after doubles.

Thanks, team, and good luck next year!

Special thanks to Mr. Stoyles and the Advertising Class.

This is the Time
To remember,
'Cause it will not last forever.
These are the days to hold onto.
But we won't although we'll want to.
This is the Time,
But time is going to change;
I know we've got to move, somehow,
But I don't want to lose you, now.

Dear Jan:

Just a note to say how much I enjoyed your friendship this year. I was glad to be coming to Friends with you and have a ready audience.

Please have a great summer.

It was not a good year!
